

What does L'EQUIP's warranty cover?

L'EQUIP warrants its products to be free from manufacturing defects in materials and workmanship.

This warranty applies to L'EQUIP products purchased and operated in the U.S.A. its territories, and Canada. You are expected to read and follow the instructions in the accompanying owner's manual before using this product to best ensure the proper operation and durability of this product during the warranty period.

- Damage resulting from misuse, accident, shipping, commercial use, neglect, incidental or consequential damages, or from damage caused by any foreign objects.
- Handling, cleaning, or other incidental fees associated with shipping or repairing your product.

We will replace defective products with a comparable model at our discretion. L'EQUIP will not refund the purchase price or provide any other remedy.

How do I receive warranty service?

For your convenience there is a "Request Warranty Service Form" located at www.lequip.com under the warranty tab. This form should be included with the product you are returning for service. If you have any questions or concerns, please email us at service@lequip.com or call L'EQUIP's customer service department at 1.877.267.2434. The bottom of the form can be detached and used as the shipping label. (Note: If warranty work is authorized within 90 days of the purchase date, L'EQUIP may also approve and send you a pre-paid shipping tag to cover the costs of shipping the product to us).
